THE WOOLEN COLLECTION

200-008

The inspiration behind every design is derived from the most beautiful and purest of nature.

ORIN

The elegant and subtle, under the design, is a subtle
reference to the essence of the collection.

200-003

As a professional fashion designer, I design and create clothing for women who want to feel confident and beautiful in their wardrobe.

200-002

The inspiration of this collection is the design of the Indian textile art and the new way of wearing it.

200-007

The inspiration for this look is the design of the dress, which is a mix of traditional and modern elements.

200-001

*The inspiration of nature under the design, embodied in new to be more
traditional and to women from all walks of life.*
